Big Soup Share

Bella (Yr 6)

'The RHS Big Soup Share is a community project encouraging children to use harvested crops to make a soup to share with others' Miss Kim.

To prepare for the Big Soup Share we asked parents and carers to donate fruit and veg. These kind donations were used to make the soup.

We sat with After School Club staff and chopped up all of the ingredients to get ready to make the soup.

Once we finally tried it, it tasted delicious!

Harry (Yr 2): "The soup was yummy and tasty!"

Christmas Show Spectacular

Lillie (Yr 4)

When we first found out about the show we immediately got to work. First, we got ourselves into six groups. Every Thursday at half four we would go down to the hall and practice for the show. We would pick out our song and we would make up a dance for that song.

It would take weeks and weeks to put a dance together. Everyone worked so hard to put this show together and it came out really nice. When we were doing this show we developed our team work skills whilst we created the show.

We all enjoyed it and had great fun. F2/KS1 were a great audience and thank you for watching.

We could not have done this show without Miss Katie and Miss Charlene. They have worked hard and been the best singing and dancing teachers ever. Thank you for being a part of this show.

F2/KS1 Review

Saoirse (F2) "I loved the show!"

A day in the life of a Lighthouse Keeper

Evie and Freya (Yr 6)

Hello, my name is Evie and I am a Lighthouse Keeper. A Lighthouse Keeper is where two year 6 children work with F2/KS1. Only year 6 get to be Lighthouse Keepers. Every single day two different people go down. It is super fun because they are really sweet and you get to make crafts with them.

Hello, my name is Freya and I am also a Lighthouse Keeper. I go down to F2/KS1 every Thursday and I love it. The children are so lovely and kind. It has taught me to set an example and to have more patience. It has been so wonderful to watch as these children show kindness and respect to teachers as well as the Lighthouse Keepers. I will be very upset to leave them at the end of the year.

Christmas Craft Day

Bertie (Yr 3)

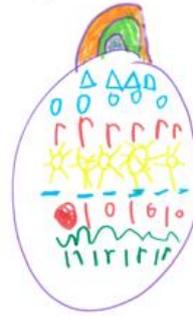

The Christmas Craft Day was amazing. We did some colouring of ornaments, creating snow globes and Christmas tree cards. We loved it. Lighthouse Club was filled with joy.

Our good friends Lillie and Tilly helped make our bubble wrap Christmas Cards. Christmas music was in the background and made it more and more festive.

Merry Eco Christmas

Alexis (Yr 5)

Please remember to turn your Christmas lights off before bed. Please put out bird food so the birds do not go hungry this Christmas. Please give the toys that you do not want to charity so you do not waste them.
