Re-design

Mount Primary School has had a design refresh! You may have noticed our updated logo on school letters and we finally have a new sign! We wanted to keep the logo recognisable but also bring it up to date and have simpler signs that are more visible from the road. We have also been mindful to keep the logo that will be used on jumpers, bags etc very similar to our old logo so that there is no obvious difference between old and new jumpers. The new logo has been shared with the uniform suppliers and will be used on items being sold for September.

Junior Travel Ambassadors

Our fabulous Junior Travel Ambassadors had a visit from the traffic enforcement team to find out how they work to keep the area around our school safe.

On Thursday 7th March we will be celebrating World Book Day. We have an author coming who is holding workshops for our KS1 and KS2 pupils.

Children can also come in dressed as their favourite book character on the day! If you have any costumes from previous years, we would greatly appreciate donations to school swap shop rails.

Lost Property

Please can we remind families to label children’s clothes. If you are missing any uniform, our lost property is by the school entrance.
