

Year 1 & 2

Autumn 2

Are we there yet?

We adventure into the world of transport as a hook into the past. This half term we will be looking at how transport has changed over the years. We will also be thinking about 'materials' and test different types of materials. We will also be getting ready for our Nativity.

To enrich our learning we will:

- Visit Birkenhead transport museum
- Teach the F2 children all about Road Safety.

English	Mathematics	Humanities	Science
<p>Key texts:</p> <p>Yr 1: Owl Babies Leaf Man</p> <p>Yr 2: The Robot and the Bluebird Little Red Reading Hood</p> <p>Written outcomes:</p> <ul style="list-style-type: none"> • Instructions • Diary • Interviews • Character descriptions 	<p>Yr 1: Addition within 10 Subtraction within 10</p> <p>Yr 2: Multiplication and division of 2, 5 and 10</p>	<p>History-</p> <ul style="list-style-type: none"> • Look at how transport has changed. • Investigate the reasons why transport has changed • To develop an awareness of the past 	<p>Materials</p> <ul style="list-style-type: none"> • Describe the simple physical properties of a variety of everyday materials • Compare and group materials based on their properties • Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses • Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.
Arts	Physical Education	SMSC	
<ul style="list-style-type: none"> • Design a vehicle • Select and use a range of tools • Explore and evaluate a range of existing products 	<ul style="list-style-type: none"> • Gymnastics. 	<p>Social – Road Safety</p> <p>Moral – Effects of pollution</p> <p>Cultural – Transport in different countries</p>
