

Year 1 & 2

Spring 2

To infinity and beyond

3...2...1...BLAST OFF! This half term, we will be launching in to our new topic 'To infinity and beyond'. We will be researching significant individuals and creating simple algorithms. Throughout the half term, we will be developing our 'Working Scientifically' skills by creating investigations linked to 'Light and Dark'.

To enrich our learning we will:

- Plan and carry out STEM investigations
- Tweet an astronaut

English	Mathematics	Humanities	Science
<p>Key texts:</p> <p>Yr 1: Star in a jar Aliens love underpants</p> <p>Yr 2: Man on the book Orion and the dark</p> <p>Written outcomes: Poems Descriptive sentences Factfile Writing in role</p>	<p>Yr 1: Shapes and patterns Length and height Numbers to 40 Word problems</p> <p>Yr 2: Word Problems Money</p>	<p>History: The lives of significant individuals in the past who have contributed to national and international achievements</p>	<p>Light & Dark</p> <p>During years 1 and 2, pupils should be taught to use the following practical scientific methods, processes and skills through the teaching of the programme of study content:</p> <p>Asking simple questions and recognising that they can be answered in different ways</p> <p>Observing closely, using simple equipment</p> <p>Performing simple tests</p> <p>Identifying and classifying</p> <p>Using their observations and ideas to suggest answers to questions</p> <p>Gathering and recording data to help in answering questions.</p>
Arts	Physical Education	SMSC	
<p>Learn about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.</p> <p>Listen and appraise Use musical language</p>	<ul style="list-style-type: none"> • Dance 	<p>- Spiritual –What does light represent (Science).</p> <p>- Cultural – What would you tell visitor from another planet about Earth?</p> <p>-Tolerance- Respecting others</p>
