

## What is History?

## History is ...

finding out about the times and lives of people who lived in the past. It is an exciting subject that allows us to talk about things that have happened, ask and answer questions about how our modern world was influenced by choices and changes that happened in the past.

Someone who studies History is called a Historian. We will be learning about how the following things have changed: toys, transport, the local area. We will be learning about some famous Historical figures: Frank Hornby, Grace Darling, the RNLI, James Atherton, Richard Trevithick, Yuri Gagarin, George and Robert Stevenson.

## I will be learning these skills in History:

- To put events in the correct order.
- To ask questions and answer questions by exploring objects and pictures from the past.
- Use appropriate vocabulary to describe times and people from the past.
