

French ideas – Year 3/4

Here are some suggestions for French work you can complete:

1. Over the past few weeks we have been learning some new vocabulary for French food. Can you find out some more French food vocabulary? Maybe you could sort these foods on a paper plate or sheet of paper, showing which foods are healthy or unhealthy and label them in French.
2. We have also been learning new vocabulary for French sports. Can you research a famous French sportsperson and make an information poster about them?
3. With Easter coming up, make a French Easter card (Joyeuses Pâques = Happy Easter)
