Miss Kim Murphy  
Mount Primary School  
Mount Pleasant Road,  
Wallasey  
Merseyside  
CH45 5HU

Dear Miss Murphy,

Following your recent green flag assessment I am pleased to confirm that you have been awarded your Green Flag.

I would like to congratulate you for all the time and effort that has been invested in environmental education at your school. Your award is well deserved and reflects the hard work you have put into the programme so far.

The assessor wanted us to pass on some suggestions which may help strengthen your Eco-Schools work in the future:

There were no suggestions

**Assessor's Comments:**

"I met a large, enthusiastic eco team who were able to confidently talk about their eco progress and things they want to do next. They were especially proud of the improvements they had made to the school grounds following some pollution monitoring that they did. They worked with Mersey Forest to plant lots of native trees and hedges and have also developed two nature areas with hedgehog homes and bird feeders. They have carried out species audits and will continue to monitor the impact of more planting. They also have an outdoor classroom, forest school area and small allotment plot. The children also talked about the importance of walking to school to reduce the pollution and have been following the WOW campaign. Next steps for the team are about reducing plastic waste, which the children felt very passionate about, and have submitted alternative plans to the school business manager. I also liked the noticeboard which was full of interesting data collected".

Your green flag and certificate are enclosed and a digital copy of the Eco-Schools logo is now available when you log in to your Eco-Schools dashboard.

Please note you will need to apply for your next green flag in two years' time to retain your Green Flag School status.

In the meantime, keep up the good work!

Yours sincerely

**Karyn Fullerton**
