

Self Portrait/collage/drawing – Year 1 Spring

Pablo Picasso

Pablo Picasso was a Spanish artist from Spain.

The Weeping Woman

The 'Weeping Woman' is a painting in the style of Cubism.

Pablo Picasso used colour to represent mood in his painting 'The Weeping Woman'.

Key Vocabulary

Portraiture	The art of creating portraits.
Proportion	The size of objects in relation to other things on the page.
Self portrait	A portrait that an artist produces of themselves.
Block paint	Outlining with paint and colouring in a shape with one colour.
Sketch	A rough or unfinished drawing, often to help make a more finished picture.
Observe	Looking.
Cubism	When an artist breaks up the subject into different blocks and repaints it with different angles to look abstract.
Abstract	When shapes and colours are used in a piece of art rather than what things look like in real life.

Colours can be grouped into cool and warm.

Colour can affect the mood of a piece of art. Red can often represent anger or love and blue can represent.
