

# Year 1

## Topic Home Learning Project

LO: To identify simple features to make a pictorial map of a short route.

In Geography, we have giving and following simple directions. The children have explored aerial maps and have looked for key buildings. You can choose your route. This may be your route to school, a friends house or to the shops.

Tip: You can present your project in any way. Some suggestions would be:

- Aerial map
- Photographs
- Story map
- Key human and physical features made from play-doh
- Map made from lego
- 

Due in: Before 25th November
