

## Year 3/4 topic home learning

In Year 3/4, we have been learning about Ancient Egypt. We have learnt about how and when the Ancient Egyptians lived and tools they used. We have also been finding out how the discoveries of archaeologists including Howard Carter have taught us about the past.

We would like the children to create something linked to their learning. Some ideas include:

- Research Ancient Egyptian gods and create a fact file, Powerpoint presentation or top trumps cards.
- Make a video news report about the discovery of Tutankhamun's tomb.
- Make a model of an Ancient Egyptian mummy or pyramid.
- Make an artefact such as a tool or a cartouche that could have been discovered by an archaeologist

You may have ideas of your own, we are really looking forward to seeing what you come up with!

The website below has some helpful information
